## HAASS-GRELL NUPTIALS.

Miss Florence C. Grell, daughter  
of Mr. and Mrs. O. A. Grell of this  
city, became the bride of Mr. Claren-  
ce Haass, son of Mr. and Mrs.  
Adolph Haass also of this place,  
Thursday evening, October 20, 1938,  
the ceremony being performed in the  
rectory of St. Henry's Church in San  
Antonio. The marriage lines were  
read by the Rev. Father Lockwood.

The bride was becomingly attired  
in a navy blue costume suit with  
navy blue accessories, and a cor-  
sage of gardenias. The bride's only  
attendant, Miss Aileen Grell, was  
attractive in a rust colored dress with  
green accessories.

Mr. Marvin Grell, brother of the  
bride, served Mr. Haass as best man.  
In attendance at the ceremony  
were relatives and close friends of  
the bride and bridegroom.

Immediately after the ceremony,  
the bridal party was honored with a  
delicious dinner, and after much well  
wishing and toasting the happy  
couple departed for a brief trip to  
coastal points. Mr. and Mrs. Haass  
are now making their home at the  
McDowell apartment.

Mrs. Haass is employed as office  
assistant to Dr. W. H. Smith and Mr.  
Haass is assistant postmaster at the  
Hondo office. They have many  
friends with whom this paper joins  
in extending best wishes to them.

## SOME RED TAPE UNTANGLED.

After months of persistent en-  
deavor that does credit to his  
patience and perseverance in his line  
of duty, Sheriff Chas. J. Schuehle is  
in receipt of a letter from American  
Consul Romeo Wormuth of Nuevo  
Laredo, Mexico, as of October 24th,  
to the effect that an "ampero" (the  
equivalent of our writ of habeas  
corpus) applied for by John Parker  
before the Federal District Judge at  
Monterrey has been refused. Accord-  
ing to Vice-Consul H. W. Carlson of  
Monterrey, "the case has now been  
turned over to the Secretaria de la  
Relaciones Exteriores in Mexico City  
for the extradition proceedings."

Mr. Schuehle is expecting word  
any day now from the authorities at  
Nuevo Laredo to "come and get  
him".

Parker is wanted here on the  
charge of having stabbed Roy Em-  
brey to death about a year ago. He  
made his way into Mexico before be-  
ing caught, and has been held for  
several months on technicalities by  
Mexican authorities.

## Hondo's Tradition Shattered

The Hondo Owls were defeated last Friday night on Barry Field by a  
score of 14-0 in favor of the Uvalde Coyotes, this being the first time the  
Coyotes have defeated the Owls on the Owls' home gridiron in 8 years. The  
Hondo squad had an off night last Friday and were not playing their best  
game of ball. The pass defense for the Owls looked mighty poor and needs  
quite a bit of improvement; the blocking on the offense could also very  
well stand a good bit of improvement; and it seems as though the line will  
have to get used to the absence of Danie and Rucker of last year's squad.

As the game commenced Bader  
kicked off for the Owls, sending the  
ball to Uvalde's 25 yard line, it being  
returned to the 31 yard line. Clayton,  
the husky fullback for the Coyotes,  
took the ball on the first three plays,  
making a first down on Uvalde's 42  
yard line on the third down. A series  
of reverse laterals brought no yard-  
age to the Coyotes and on the fourth  
down Beckett kicked to the Hondo 10-  
yard line, where the ball rolled out.  
On the first play a bit of misfortune  
struck the Hondo squad, as Finger  
carried the ball around right end to  
Hondo's 16 yard line, where he  
fumbled, the ball being recovered by  
the Coyotes. On the first down the  
Coyotes were thrown for a five yard  
loss while attempting a lateral pass.  
Leinweber making the tackle. Next  
Beckett passed to one who lateraled  
to another and then fumbled, the  
ball being recovered by Hondo. On  
the first down Leinweber quick-kick-  
ed from the Hondo 22 yard line to  
Uvalde's 43 yard line. On the second  
play, after no gain on the first, Clay-  
ton fumbled the ball, Schuehle going  
back and making the tackle on  
Uvalde's 33 yard line. On the third  
down Beckett kicked to the Hondo  
38 yard line where the ball rolled  
out. In three downs the ball was ad-  
vanced to the Hondo 45 yard line  
and on the last down Leinweber kick-  
ed to the Uvalde 20 yard line, the  
ball being returned to the 36 yard  
line. On the first down Clayton  
ploughed thru center to Uvalde's 45  
yard line. The Owls' line held on  
the next two plays, but on the fourth  
down, with Beckett back to punt, the  
ball was snapped to Clayton, who  
went thru center to the Hondo 48

yard line for a first down. Three  
more plays brought another first  
down for the Coyotes and on the  
first down a pass was completed to  
188 pounder Dole, who took the pig-  
skin to Hondo's 17 yard line for  
another first down. Beckett then at-  
tempted to go around right end, but  
was stopped by Schuehle. This mark-  
ed the end of the first quarter.

## Coyotes Begin Second Quarter With Score.

Going into the second quarter with  
the Uvalde Coyotes in possession of  
the ball on Hondo's 17 yard line, 2nd  
down and 10 yards to go for a first  
down. The first play brought a touch-  
down for the Coyotes, as Beckett  
passed to Clayton, Clayton going  
over the goal line. Dole converted  
for the extra point. Dole kicked off  
for the Coyotes, the ball going to  
Leinweber on the Hondo 10 yard line,  
who returned it to the 29 yard line.  
On the first down Grell passed to C.  
Finger who took the ball to Uvalde's  
47 yard line for a first down. A pass  
was thrown to Finger, who fumbled,  
the ball recovered by the Coyotes on  
Uvalde's 32 yard line. Three plays  
had advanced the Coyotes to their  
own 45 yard line for a first down.  
The next two plays brought no yard-  
age, being stopped by Rucker and  
Bader, but on the third down Clay-  
ton went off right tackle to Hondo's  
41 yard line for another first down.  
A right end run and a pass to Dole  
brought still another first down for  
the Coyotes. It was first down for the  
Uvalde squad on Hondo's 21 yard  
line. On the first down Clayton went  
ff guard to Hondo's 19 yard line.  
Beckett then passed to Scott, who  
could have had another touchdown  
ad he held the ball, but it was in-

TO REPRESENT HONDO AT  
PEARSALL FAIR.

BETTY JEAN MERRIMAN

Miss Betty Jean Merriman, daugh-  
ter of Mr. and Mrs. Henry Merriman  
and a Hondo High School senior, has  
been named to represent Hondo as  
Princess to the Wintergarden Fair,  
which is to be held November 10th  
and 11th at Pearsall. Her duchesses  
are Miss Susie Muennink, daughter  
of Mr. and Mrs. W. G. Muennink, and  
Miss Elizabeth Reynolds, daughter of  
Mr. and Mrs. Robert Reynolds, of  
Hondo. They are also members of the  
senior class of Hondo High School.

Miss Merriman has chosen as her  
escort Roland Gaines Jr. Burleigh  
Smith will be escort to Miss Muen-  
nink and Milton Bohmfalk to Miss  
Reynolds.

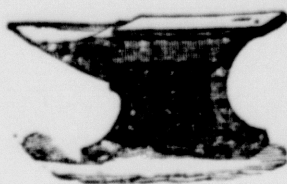

The Coronation of the queen of  
the Fair will occur on the night of  
the 10th, followed by the queen's  
ball, in which the Hondo royalty and  
their escorts will take part.

complete. Clayton went off tackle to  
the Hondo 12 yard line and it was 4th  
down and 1 yard to go for a first  
down. This was accomplished by  
Clayton, who took the ball to Hon-  
do's 6 yard line. The Hondo line  
showed what it really could do, while  
trying, as they held the Coyotes for  
four downs, Uvalde advancing only  
three yards during these four downs.  
Leinweber kicked the ball back to  
Hondo's 37 yard line. Three downs  
advanced the ball to Hondo's 28 yard  
line and on the last down, a reverse  
lateral was executed by Uvalde, send-  
ing them to Hondo's 13 yard line for  
another first down. Three passes  
were attempted, the last one being  
the only one completed for only two  
yards as the pistol sounded, ending  
the first half with the Coyotes in the  
lead 7-0.

## Uvalde Again Scores in Second Half.

Uvalde kicked off to the Hondo  
eleven at the beginning of the second  
half, Kollman taking the ball on Hon-  
do's 19 yard line and running it back  
to the 36 yard line where he was  
stopped by Shaw. On the first down  
a reverse, Grell to Leinweber, who  
went around left end to the Uvalde  
49 yard line for a first down. Grell  
passed to Schuehle, who advanced the  
ball to Uvalde's 37 yard line for an-  
other first down. The first two pass-  
es attempted by the Owls were in-  
complete but on the third down,  
Schuehle took the ball to Uvalde's 29  
yard line on a pass received from  
Grell. Grell passed but it was knock-  
ed down by Dole, thus putting the  
ball in possession of the Coyotes. In  
three downs Clayton had taken the  
ball to Uvalde's 44 yard line for a  
first down to the credit of the  
Coyotes. Two more plays found the  
ball on Hondo's 34 yard line for still  
another first down. Beckett next  
passed to Dole who took the ball to  
Hondo's 22 yard line for a first  
down. On the first down Beckett  
threw a long pass to Clayton who  
made a beautiful catch out of the  
sky for a touchdown. Dole again con-  
verted for the extra point, making  
the score stand 14-0, in favor of the  
Uvalde Coyotes. Dole kicking off for  
Uvalde, sent the ball soaring to the  
Hondo 1 yard line, where Finger  
made a beautiful run, taking it back  
to the 35 yard line. Grell attempted  
a pass, but Scott rushed back and  
before Grell could pass, brought him  
down on Hondo's 25 yard line, a loss  
of ten yards. This loss was made up  
by Finger, who ran back to Hondo's  
37 yard line. Again Grell attempted  
a pass, and again Scott charged thru  
to set back Grell on Hondo's 28 yard  
line. Leinweber then kicked to  
Uvalde's 35 yard line, the ball being  
returned to their 44. On the first  
down Dole attempted a lateral, but  
was stopped by a charging guard, in  
the form of Jennings. On the next  
down Beckett attempted a long pass  
to Scott, the ball being right in  
Scott's hands, but, much to the re-

## ENCOURAGEMENT

By Clayton Rand

An older man laid his hand on  
the back of a younger man and  
was overheard to say, "You fight  
a good fight, and may you grow  
in strength."

Sloppy flattery has no place in  
the battle of life or this sorry  
scheme of things, but deserving  
praise is spiritual power—it  
strengthens the weak and sub-  
dues the strong.

If you will recall the years you  
will remember that it was not  
what you learned in books or  
cleaned in battle that gave you  
your spiritual momentum.

It came when some one in whom  
you had great confidence, a  
teacher, a friend or a parent,  
pressed your hand, and said,  
"You will make the grade—you  
have good stuff in you."

## AN ACT OF GOD

In Texas, Dame Nature has effective-  
ly and conclusively called the  
bluff of the power politicians who  
are seeking to socialize the electric  
industry under the guise of promot-  
ing flood control, navigation, irriga-  
tion, or what have you. She has  
forcefully demonstrated that high  
dams brim full of water for power  
generating purposes, are worse than  
useless for flood control purposes.  
When floods come along without  
warning, there is no place to store  
the onrush of water—unless there is  
a dam built for that specific purpose  
and standing empty to catch the  
flood waters.

Power dams are power dams, nothing  
more. Only the power politicians,  
who know it is plainly unconstitutional  
for the government to go into the  
power business in competition with  
private enterprise, refuse to heed  
that irrefutable truth. They know  
they either must get out of the power  
business or enter into it surrepti-  
tiously. They do the latter, figuring  
that someday the American public  
will succumb to open socialization of  
the electric industry. Meanwhile,  
they proceed to spend hundreds of  
millions of public dollars on "flood  
control", with electric power as an  
"incidental side line".

In Texas, however, one of these  
sham flood control dams recently  
found itself helpless when a flood  
came along. It was busy generating  
power, and was full of water. The  
flood was sent on its way, over the  
spillways, free to descend upon the  
astounded and terrified residents of  
the valley below who had felt secure  
in the belief that their tax money had  
been spent to protect them from  
floods!

Apparently it takes an act of God  
to reveal the duplicity of smooth-  
tongued politicians.—Industrial News  
Review.

## I O U—\$43,000,000,000

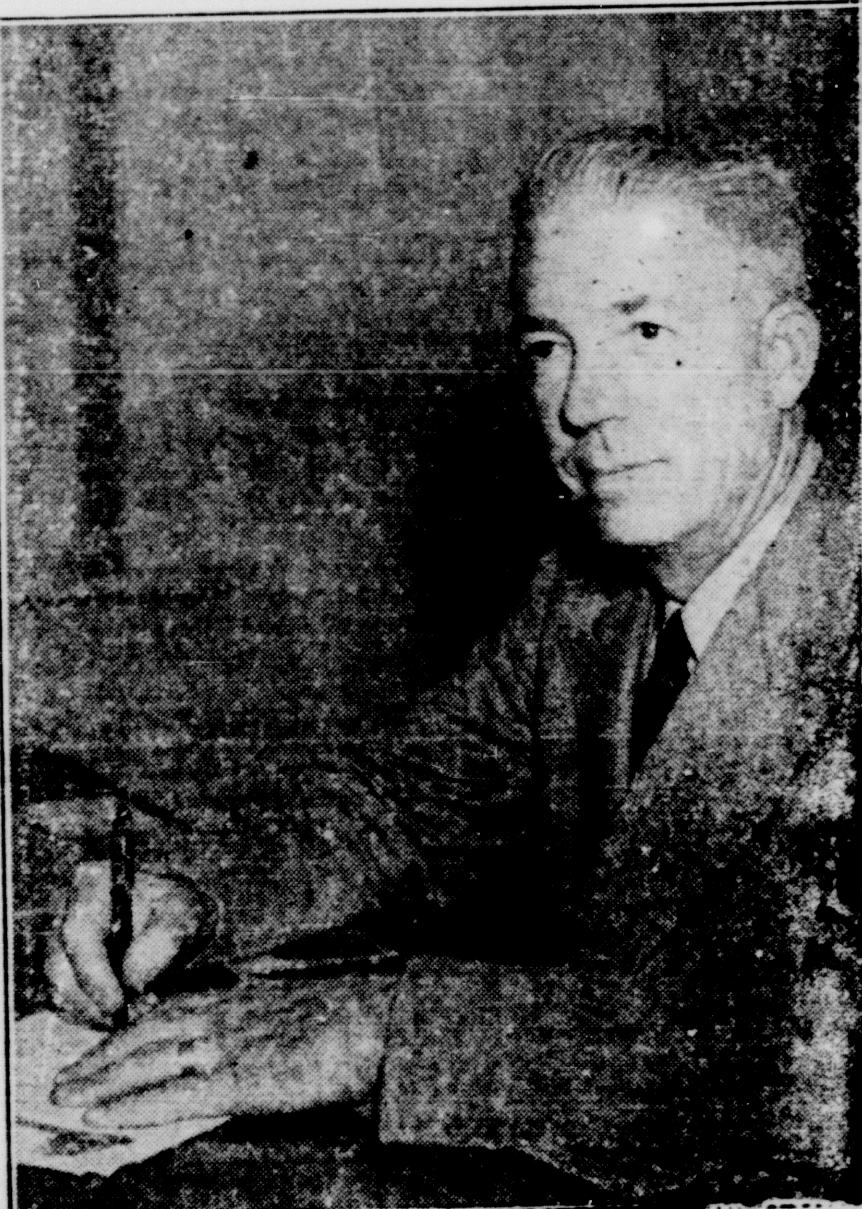

A few years ago there was a tremen-  
dous amount of public concern  
over the fact that the national debt  
had passed the \$25,000,000,000 point.  
Today it is forecast that the debt will  
shortly touch \$43,000,000,000—yet  
lethargy and indifference of all in-  
dividuals and all business no longer  
makes the headlines.

Such indifference is one of the  
most dangerous phases of the whole  
problem of debt and taxation. We  
will never reduce the debt, even as  
we never will reduce or equalize  
taxation, without an awakened, ag-  
gressive public demand to compel a  
change. The politicians won't do it  
for us—they will simply inflate it to  
even higher levels. And that means  
more taxes and higher taxes, a  
steadily lessened national income  
that can be spent for productive pur-  
poses—and more hard times in the  
future.

Wake up to the fact that the public  
debt is your debt. It is inescapably  
related to your job, your savings,  
your opportunities, your security.  
When all of us know that, Washing-  
ton and the state capitals will hear a  
concerted public demand for a drastic  
change in present suicidal fiscal  
policies of unbalanced budgets and  
wasteful, extravagant and uncalled  
for public expenditures.—Industrial  
News Review.

There are things that are best  
advertised by silence.

## Manager Texas Wildlife Federation

J. W. CHAPMAN

AUSTIN, October 27.—The Texas  
Wildlife Federation, carrying for-  
ward a scientific and carefully plan-  
ned program for the education of  
Texas sportsmen to the value of a  
statewide conservation move, will lay  
its plan before the large landowners  
of Medina county at a meeting in  
Hondo on November 3.

All Medina county sportsmen are  
invited to attend, J. W. Chapman,  
manager of the Federation, says. The  
program will be held at the high  
school auditorium at 7:45 P. M.

"Unusual information about the  
economic worth of wildlife in Medina  
county will be offered at the infor-  
mal meeting", Chapman states. "If  
properly handled, the wildlife will be  
an economic asset worth large sums  
of money."

Formerly with Texas A. & M. col-  
lege, Chapman is widely known as an  
authority on wildlife, and is now head  
of the most progressive organization  
of its kind in Texas.

## TO MEDINA COUNTY WILDLIFE PLANNING BOARD MEMBERS.

A meeting of the Medina County  
Wildlife Planning Board will be held  
at Hondo, Texas, on October 28,  
1938 at 7:30 o'clock in District Court  
Room. You are urged to attend. Im-  
portant business will be taken up.

The meeting is open to MEMBERS  
only!

Sincerely yours,  
EARL SANDERS.

#### SCOUTS HOLD COURT OF HONOR

The District Court of Honor of Boy Scouts was held at LaCoste, Thursday night, October 20. Mr. Nicholson, scout master from San Antonio, was master of ceremonies.

LaCoste, in number of scouts, parents, visitors present, advancements, number in full uniform, won the highest percent—86%, Castroville won 64% and Hondo 34%.

Mr. Bader of LaCoste gave the welcome address. Mr. W. N. Saathoff of Castroville presented first class certificates, and Mr. O. A. Fly of Hondo distributed the merit badges. Dr. Springfield of LaCoste gave second class certificates.

#### Scouts Plan Activities

It was voted to have an over-night camping corral at Camp Hargrove on Medina River, November 26, and a contest at Castroville at a later date.

Those attending from Hondo were: Mr. and Mrs. H. Z. Windrow, Mr. O. A. Fly and Mr. Ben Crow. Scouts were Norman Gillman, Bobby Kollman, Billy Fly, Willie Gene Williams, "Bud" Johnson, Walter Speece, Jimmie Duncan, and Bobby Cameron.

The next Court of Honor will be held in Hondo.

#### P-T. A. STUDY COURSE MEMBERS HOLD MEETING

##### Subject For Study Selected

The first meeting of Parent-Teacher Association study course group was held in the living-dining room of the Homemaking Department at the High School last Monday afternoon from two to three o'clock.

This study course is being led by Mrs. M. L. McDowell and will continue its monthly meetings through May. The subject chosen for study this year is "The Family in the Democracy", and the first two topics, "New Standards in Family Living" and "The Changed Homemaker", were ably discussed by Mrs. McDowell in this first meeting.

"The Citizen in the Nursery" is the subject to be covered in the next meeting, November 28, and it is urged that a large group attend these worthwhile and stimulating discussions.

#### ADULT HOMEMAKING CLASS MEETS

##### Twenty-two Attend First Meeting

Twenty-two Hondo women were in attendance last Tuesday, October 18, at the first meeting of the Adult Homemaking Class which is being offered for the first time in Hondo. The group has chosen to study the selection of foods for balanced and attractive meals during the autumn season; in the spring, clothing selection and construction will consume their interest.

This class is open to those women in Hondo who are interested in these subjects. Anyone who has not enrolled and who wishes to be a member of this class is cordially invited to be present at the regular class meetings which are held every Tuesday from 2:15 to 4:15 P. M. in the Homemaking Department of the Hondo High School.

### Eleventh National F. F. A. Banquet Held

#### FOUR THOUSAND REGISTER

Attending the Eleventh National Future Farmers of America Convention, Albert and Arthur Lacy and Roland Nester, accompanied by Mrs. J. D. Lacy, Judy Lacy and Mrs. Williams, spent the past week in Kansas City, Missouri.

Monday morning the boys registered and attended the first session of the Convention in the Arena of the Municipal Auditorium. About 4000 boys registered Monday. Mr. Stuart Edwards, from Washington, D. C., lead the National Broadcasting Company's broadcasts on the Farm and Home hour from the floor of the Convention on Monday, Tuesday and Wednesday.

Monday night the National F. F. A. Public Speaking Contest was held. There were five boys competing for first prize, each representing a different region of the United States. This contest was first made possible in 1930 by Senator Arthur Capper of Kansas and for the seventh year the National Organization of F. F. A. is sponsoring this event. Each contestant is the author of his own speech, having studied his subject, prepared the draft and practiced its delivery. After the delivery of the speech the contestants are questioned by the judges to test each boy's ability to think for himself and also to test his knowledge of his subject. The results of this contest are:

First, Leslie Howard Standley, Upland, California, prize—\$250.00 in cash and gold F. F. A. medal. Subject, "Chemurgy as an Aid to the American Farmer". Second, Arthur Olson, Austin, Minnesota, prize—\$200.00 in cash and silver F. F. A. medal. Subject, "Conservation of Soil, Our Greatest National Problem". Third, Glenn Curlee, Deatsville, Alabama, prize—\$150.00 in cash and silver F. F. A. medal. Subject, "Farm Tenancy in the South". Fourth, Razel Abelson, Woodbine, New Jersey, prize—\$100.00 and bronze F. F. A. medal. Subject, "The Problem of Soil Erosion". Fifth, Frederick Tom, Lahaina, Maui, Hawaii, prize—\$50.00 in cash and bronze F. F. A. medal.

#### F. F. A. Progress Screened

Tuesday night, October 18, at another special program, Mr. Strickland Gillilan, a noted poet, spoke to the delegates. Also a motion picture of F. F. A. Progress from 1928 to 1938 was shown. The following presentations were also made: State Association Awards, Texas placed second on Chapter Contest Prizes, and Star American Farmer Medal to Hunter Roy Greenlaw, twenty-one year old Falmouth, Virginia, boy.

Wednesday night the Eleventh National F. F. A. Banquet was held; the boys were here honored again by a speech from Mr. Strickland Gillilan. Awards in National Judging Contests were made at this banquet. Music for the banquet was afforded by the Solomon, Kansas, F. F. A. Orchestra. The following menu was served:

Half Florida Grapefruit  
Celery and Olives Texas Pecans  
Porterhouse Steak  
Massachusetts Cranberry Sauce  
Montana Baked Potatoes  
String Beans  
Hawaiian Pineapple Salad on Basket of Lettuce  
Milk Hawaiian Kona Coffee  
California Oranges and Grapes

While in Kansas City the group visited the American Royal where they saw high bred livestock from all parts of the U. S.; they saw one session of the Horse Show, and visited the stockyards to see how market animals are sold. They also attended the auction sale of carlot feed calves which were selling very cheap, the champion carlot of calves bringing 14 3/4¢ per pound.

The Iowa State F. F. A. Band was the official band for the Eleventh Convention. This band is composed of 102 members from thirty-three F. F. A. Chapters in the state. The Texas band was also there.

The group left Kansas City, Missouri, Thursday noon and journeyed through the Ozark Mountains. Also on the return trip home they visited the Buckhorn Tavern which served during the Civil War as a Hospital for both the Confederate and Union soldiers. This tavern also marks the "Trail of Tears" where 20,000 Indians passed while being driven out of their country by the Union Army.

Friday night was spent at the Arkansas State F. F. A. Camp which is situated a few miles outside of Hot Springs, Arkansas. The party arrived home last Saturday night.

While on their way to Kansas City the group visited the "Veteran's Hospital", the campus of the Indian College and a glass casket factory in Muskogee, Oklahoma.

### Meeting of Hondo Chapter of Future Homemakers to Be Held in H. E. Classes

#### Classes Elect Officers

The Homemaking classes will hold meetings of the Future Homemakers of Texas, Hondo Chapter, in their respective classes this year. The purpose of these meetings is to make it possible for greater progress to be made in the activities of this organization.

The club, as a whole, meets every month, and separate programs will be carried on in these large meetings. The classroom meetings will have programs that will meet the needs and interests suitable to the girls in the respective classes.

The first year girls will begin their programs on a study of parliamentary procedure and will later take up inexpensive Christmas gift making. The first meeting of the Homemaking I girls class was held October 17. The following officers were elected: Class Chairman, Dorothy Woolis; Secretary, Ruth McWilliams; Reporter, Nora Ann Bendele; Parliamentarian, Frances Bendele; Year Book Committee, Frances Ruth Rucker, Stella Grell and Jerline Stiegler.

The second year class also held their first meeting October 17. The officers elected were the following: Class Chairman, Jonelle Bader; Secretary, Eugenia Riff; Reporter, Ima

Jean Crow; Parliamentarian, Roselyn Weber; Program Committee, Chairman, Lorine Neuman. Plans for the yearbook are also under way in the class, and such topics as Christmas gifts, table decorations and table service will comprise some of the programs.

All yearbooks will be combined into one large yearbook, and this will be sent to the Executive Council of the Future Homemakers' Clubs by November 30, 1938, so that it may be entered in the State Rally in April.

#### YEAR'S COURSE CHOSEN BY PART-TIME AGRICULTURE STUDENTS

Part-time agriculture students held their first meeting in the science room last Thursday night.

Record books, including the boys records who had either stopped or finished school, were closed.

Because students taking part-time agriculture are allowed to plan their course for the year, the improved methods of raising chicks was chosen.

Some of the boys have already purchased chicks as part of their projects.

### INSPECTING NUECES RIVER PROJECT.

President C. S. Fowler of the Nueces River District informs us that Major General Julian L. Schley of Washington, D. C., Chief of the Army Engineers, with a party consisting of Lieut. Col. Frank S. Benson, Captain B. C. Clarke and others of U. S. Army Engineers and a few Directors and citizens very much interested in the progress of the district, will leave San Antonio at 2 o'clock P. M., today for an inspection trip across the Upper Watershed. They will view the D'Hanis Flood Control site and the Concan damsite and go on to Uvalde where the General will make an informal call on Vice President John N. Garner. They will stay all night in Uvalde at the Kincaid Hotel and leave Saturday morning after breakfast for Laredo via Carrizo Springs.

The Army Engineers have been busy for nearly a year now in the Nueces Watershed and its tributaries, and much work has been done in the Upper Watershed at Leguna, Upper and Lower Montell, Tom Nunn Hill, Wood Slough, Turkey Creek, Crystal City, Cotulla, Fowlerton and on down the river toward the coastal country, having at present time crews as far down the river as George West. At the present time they have several crews scattered throughout the district, and they say they will have the detailed survey completed and data gathered and drawings made, benefits, etc. ready for submission to Congress in January of next year, and this trip means much to the District, as the Chief will be fully informed and ready to give his approval when the report reaches his desk.

A luncheon is being given for General Schley at the St. Anthony at 12:30 to 2:00 P. M. today and is being sponsored by Colonel W. D. T. Little, head of the San Antonio River Canal Project and C. S. Fowler, President of the Nueces River Conservation and Reclamation District.

### AMERICAN LEGION HAS BARBECUE.

### HONEY HINTS.

By Miss Nell Foley, County Home Demonstration Agent.

This week the nation is celebrating National Honey week, and since honey is one of our oldest, as well as, one of our purest sweets, every housewife should serve it to her family more often. Honey is a natural, unrefined, nutritionally valuable food. It is unique in that it is the only unmanufactured sweet available in commercial quantities. Seventy-five per cent of its composition is sugar which gives honey an energy producing value second to few foods. In addition to its sugar content, honey contains some protein, a food necessary for growth and maintenance of the body; a small quantity of various minerals, necessary for good nutrition, ash and undetermined constituents. In other words, honey contains in limited quantities most all elements of a perfect food except the vitamins.

This section of the State is well known for its honey which is produced mostly from the blossoms of the Huajilla and white myrtle plants. So our slogan should be, "Use more honey".

The following recipes gives some ways for utilization of honey which have been tested by the American Honey Institute:

### Honey Macaroons.

2 cups flour  
1/2 tsp. salt  
1 tsp. baking powder  
2/3 cup butter  
2 cups honey  
2 eggs  
2 cups coconut  
2 cups wheats  
1 tsp. vanilla  
Sift dry ingredients together. Cream butter and honey well. Add beaten eggs. Add dry ingredients, coconut, wheats and vanilla. Drop on greased cookie sheet and bake at 325 degrees for 25 minutes.

### Honey Peanut Rocks.

2 cups flour  
1 tsp. baking powder  
1 tsp. soda  
1 cup butter  
2 tbsps. milk  
1 cup honey  
2 cups oatmeal  
1 cup chopped raisins  
1 cup chopped peanuts  
Sift dry ingredients together. Cream butter and honey well. Add oatmeal, raisins and peanuts. Then dry ingredients and milk. Drop on greased cookie sheet. Bake at 300 degrees for 20 to 25 minutes.

### Chocolate Cookies.

1 1/4 cups honey  
1 cup shortening  
2 eggs  
2 sq. chocolate  
1 1/2 cup rolled oats  
1 tsp. baking powder  
1/2 tsp. salt  
1 tsp. cinnamon  
1/4 tsp. soda  
2 1/2 cups flour  
1 tsp. vanilla  
1 cup walnuts  
Melt chocolate. Cream shortening and honey, add beaten eggs, oatmeal and chocolate. Add sifted dry ingredients and walnuts and vanilla. Drop on greased cookie sheet. Bake in moderate oven (325 degrees) for 15 minutes.

### D'HANIS CLUB GIRL ON FARM AND HOME HOUR.

Miss Melvira Rothe, Medina County 4-H club girl, will act as mistress of ceremonies on the National Farm and Home Hour Program which will be presented over WOAI on November 5. This is the annual 4-H club radio program which is sponsored by the 4-H club boys and girls of the nation. The program is under the direction of the county and home demonstration agents and the Extension Service of A. & M. College.

Miss Rothe is a member of the 4-H club of D'Hanis, Texas, and has done outstanding club work in that community. She recently had the honor to preside at the meeting of the State 4-H club Girls Educational Encampment which was held at the State Fair at Dallas, Texas, on October 11-13.

Club boys and girls from Bexar, Atascosa and Guadalupe counties will also participate in the national hook-up program.

**QUIHI NOTES.**

And they said, He is well; and, behold, Rachel, his daughter, cometh with the sheep. Gen. 29:6.

Jacob gets a fine welcome in the land of his refuge and adoption. The men whom he meets give him full information about Laban, his uncle, where he is to make his future home. No suspicion, no reluctance, no haughty reserve and ill will against the stranger. Tourists and travelers at home have their own experiences in that line. They find that people differ. Sometimes they see the cold shoulder and feel that they are considered as intruders and receive little attention; more often, especially in our country, they get the glad hand of friendship. Southern hospitality is proverbial, as all northerners attest. Abroad a variety of conditions prevails with the various people. The English are somewhat stiff and cautious, overly reserved. The French are almost jovial and ever ready to give help and information, more than the tourist cares for. Spaniards and Italians open heart and home, with wonderfully polite phrases for the glee of their heart. Sometimes you are a little doubtful about their sincerity. The Russians are cool and collected and view the newcomer with a puzzled caution. The Swiss are little perturbed about your arrival and it takes some time to have the fact of your coming get under their skin, and then all is well. The Germans, in a similar way, are thawing out slowly; a little awkward in their first attitude, but when the ice has melted, they make you feel at home in genuine fashion. We speak of personal observations. Speaking their own tongue is usually the key to their heart and confidence, and helps swiftly over frosty ground of introductions and formalities. It's an invisible bond of union; the bridge that leads into the field of common interests, with mutual recognition of personality and nationality, in all of these countries. Whether Jacob met Jew or Gentile upon his arrival, we can only guess. If the latter, the reception differs from that of today. The Jewish people are a problem in many ways. Regarded as a race or a national unit or a religious denomination or an international social ferment or just an undefinable mixture of all these elements, floating into all countries, drifted by choice or chance or necessity, he is a problem. Often better, often worse, than his traditional reputation, and again we speak of personal contacts facilitated by language and years of close neighborhood, he is friendly, helpful and considerate socially, overly friendly in business dealings, accommodating and cooperative in public issues, yet not at home among the non-Jews, holding back his friendship with them, keenly observant, if not distrustful, in his transactions with them, preferring his own racial kin, in his innermost heart exclusive to all others, virtually a guest, a foreigner, in all countries, despite his citizenship papers and high appointments for political reasons or coming into civic prominence for his business prestige. His treatment fluctuates. In many countries he is tolerated, if not cherished; in others he is restricted or ousted, for reasons of their own. In all countries there is greater reluctance in opening the doors ajar for him. The Conference on the Jewish refugee problem, now petered out, showed this conclusively. Thirty-two nations were represented. Great Britain offered only a small colony in East Africa for their possible emigration. Belgium had already too many of them. Denmark asked to have them taken off their hands. France wanted the U. S. to open their portals. Our representative cared to have a specified number, if they come with their property and possessions. The South American states were non-committal; a few would take some as farmers, but no Jewish doctors, lawyers, or professionals of any kind. Peru wants them as well drillers and fish dealers, Brazil as taxidermists, show-card writers, piano movers, horse collar manufacturers. None others; and that means about ninety-nine percent are not wanted. How different the reception of Jacob. The Lord prospered his way. And the young damsel coming with the sheep, opens a long and happy vista into his future.

These lines are just to say, Thank You! to all that helped us to make our Social a fine success, whether working in committees or out of them, whether coming with big donations or small, whether partaking of the liberal culinary treat or merely there to take in the program and

## Owls and Warhorses Wage Conference Battle

**From THE OWL**

**Hondo vs. Devine on Barry Field**

The first conference game of the Hondo Owls' 1938 season will be played on Barry Field next Friday night when the Owls tangle with the Devine Warhorses. This will be the sixth game of the current season to be played on the Owls' home soil and again game time will be eight o'clock.

Both teams are rated a strong entry in the east zone of District 43 and will display a great brand of football.

The Warhorses have an impressive record this year, having five wins and one defeat, and should give all teams trouble. The Devine club is well-balanced and has a hard-running backfield that should show up.

The Owls, smothered with three losses, are out to submerge those losses and cop the east zone. Their record out of five games played is one win, a tie, and three losses. The Owls with this added experience, should start clicking this week and once more put Hondo in a winning stride.

Come out and give your share of Owl-fight and see the Owls' first conference battle of the season.

other features. It was a pleasure to see the working crew—many did heroic work—and to see the crowd on the premises. The rain put a fast finishing touch to the festivity, but most went home rejoicing—a few were drenched and they have our sympathy. Again, thank you.

Our mission festival will be on November 6th. We are glad to have the Rev. P. Gogolin, of Brenham, for our guest speaker. He will preach in the morning at 10:30 in German; and at the English evening service at 7:30 P. M. He delivers mature and highly practical sermons. Be sure that you are present. It's your affair that is discussed. The work laid upon your shoulders and your responsibility, by the Lord Himself. Do not fail Him. You and your friends, and, of course, your family, are cordially invited.

The Ladies' Aid meets on Nov. 3rd, the Sunday school teachers on Nov. 4th. Kindly mark the date and try to be present.

Announcements for October the 30th: German service for the Reformation Festival at 10:30; confessional service at 10:15; Holy Communion after main service. Please announce yourself, Sunday school and Bible class at 9:30. No evening service. Come, let us worship together.

## Hondo "B" Defeats Castroville

**From THE OWL**

The Hondo "B" team defeated the Castroville football team by a 19 to 0 score at Castroville last Tuesday, Oct. 18. This was the second game played between the two teams.

The Owls' "B" team is composed of second-string players who have seen little action in the Owls' regular games. This will improve the experience of the reserves and also help build a better future for the Hondo Owls.

The Castroville team plays six-man football and is entered with D'Hanis, Asherton, Big Wells, La Pryor, and Catarina in a six-man football district.

## LA COSTE LEDGERTTES.

From The LaCoste Ledger.

Dorothy May, the infant daughter of Mr. and Mrs. Oscar Tschirhart of Noonan, born on Saturday, October 15th, 1938, died shortly after birth and was buried at 3:30 P. M. on Sunday, October 16, in the St. Louis Cemetery. Very Rev. Dean J. Lenzen officiated at the services both at St. Louis Church and at the grave. We join the friends of the grief-stricken parents in extending sympathy.

Wm. Biediger and son, Daniel, from Spindeltop were business visitors last Saturday.

Henry Haegelin from above Rio Medina was a LaCoste business visitor last Friday.

Mrs. W. A. Lukenbach and son, William, from Seguin, and Mr. and Mrs. Leo Mann from San Antonio were the guests of Mrs. Josephine Biediger and other relatives here Sunday.

Mr. and Mrs. George Schmidt and children from the Black Creek community were the guests of Mr. and Mrs. Philip Jungman and children at Spindeltop, Sunday.

Mrs. C. S. Hellum was a San Antonio visitor Tuesday.

E. J. Tripp from Macdonia was a business visitor here Wednesday.

Mrs. C. W. Ahr of Natalia was a visitor here Saturday.

Louis Bohl and son, Clark, from Castroville were visitors here Tuesday.

Mr. and Mrs. George Christilles, Miss Marie Christilles and Miss Florence Obets visited with relatives in San Antonio Sunday.

Mrs. Annie Tschirhart from Castroville and brother, August Naegelin, from San Antonio visited relatives and friends here last Thursday.

Oscar Biediger and son and Anton Biediger from Spindeltop were LaCoste visitors last Saturday.

Frank Miksch from Asherton and sister, Miss Louisa Miksch, from San Antonio were the guests of Mr. and Mrs. A. E. Jungman and children here Sunday.

David Biediger of the 61st Squadron, Kelly Field is spending a month's furlough with his parents, Mr. and Mrs. Albert Biediger, at Spindeltop.

Mrs. J. C. Biediger and son, J. C., and W. A. Luckenbach were short visitors with Mrs. Annie Warren at Castroville Sunday.

Mr. and Mrs. P. J. Keller and sons spent Sunday with Mr. and Mrs. Ed. A. Tschirhart and daughter, Miss Helen, at Castroville.

Mr. and Mrs. John M. Mechler, Mr. and Mrs. Eddie Grossenbacher and baby and Leon Mechler enjoyed an outing Sunday to Devil's River. Mr. Mechler recalled that he crossed Devil's River, at the spot where they ate dinner, some 56 years ago. He was only 14 years of age at that time. He says it took about three months to make the round trip 50 years ago but now one may drive there and back in a day.

## CASTROVILLE NEWS.

### LYTLE.

Mr. and Mrs. John Rieber and daughters, Corine and Gladys, and Mrs. Joe Rieber of D'Hanis were guests in the A. F. Jackson home last Friday afternoon.

### YANCEY.

Sunday was the last day before the annual conference, and Rev. Fuller preached two sermons for his congregations. We are not certain that Brother Fuller will return to us as our pastor, but we sincerely hope that he may.

A good many folks from here went to Hondo Tuesday of last week to attend the funeral services of the late John Buss, which was held at the Horger funeral parlor, after which the body was laid to rest in the Yancey Cemetery. A large crowd was also present at the grave.

Miss Laura Frances Wilson visited her parents for a short while one day last week.

Mrs. Tom Duncan and Mrs. H. N. Burgin visited relatives at Somerset and Benton Sunday.

Sam Wilson had his tonsils removed last Friday and is doing nicely.

Four shows will be held in the Floral and Small Stock Building during the Golden Jubilee Celebration of the State Fair of Texas. The building was formerly the Art Building and is now being remodelled throughout. Rabbits, flowers and caged birds, and the annual show of the Texas Kennel Club will be held in the building.

## UNITED STATES DEPARTMENT OF AGRICULTURE.

Agricultural Adjustment Administration.

County AAA committeemen and representatives of related farm agencies in this and neighboring counties met Tuesday and Wednesday in San Antonio to discuss the 1939 Agricultural Conservation Program.

"Most interesting to us," said Mr. V. P. King, Ch. County Committee in comments on his return from the meeting, "was the absolute assurance given us by E. N. Holmgreen, State AAA Administrator from College Station, that every farmer will know by December 10 just what acreage he can plant to comply with the 1939 program."

"In the past," Mr. King continued, "all programs have come to us late, because of legislative delays. Now, for the first time, we're able to go into a crop year with the program fully enacted and every farmer getting his acreage allotments and other things he needs to comply considerably in advance of planting time."

Mr. King said that community educational meetings, which farmers and their wives will be asked to attend, will be held in Medina County in the near future.

These meetings are to acquaint farmers fully with the 1939 program, which is essentially the same as in 1938, according to Mr. King, although the new program, he said is streamlined to some extent and stepped up to enable earlier payments than ever before.

Those who attended the meeting from this county were: Miss Nell L. Foley, County Home Demonstration Agent; Mrs. Otto Sittre, Ch. County Council; Mr. V. P. King, Ch. County Committee; Mr. Alf. A. Zinsmeyer, Member, County Committee; Mr. Henry E. Flory, Member, County Committee and Range Inspector; Mr. C. M. Merritt, County Agricultural Agent; Mr. Robert D. Burden, County Administrative Assistant, and Mrs. Mary I. Garber, County Office Clerk.

E. N. Holmgreen, State Administrator of the AAA, brought out these points in his talk at the district meeting, reviewing some of the reasons why Southern agriculture's position has been on the short side of the national double-tree, and showing that farming is going through a strenuous period of adjustment:

1. Since 1920, changes in American food habits have reduced consumption of edible wheat products by the equivalent of .8 bu. of wheat annually per capita. This means America consumes 104,000,000 bu. less per year now than she did in 1920. Taking average American yield at about 12 bu. an acre, this spells the loss of markets for 8,666,000 acres of wheat to the American farmer.

2. Tractors, trucks and automobiles since 1920 have displaced 8,000,000 horses and mules. The 43,000,000 acres formerly needed to grow grain and feed for these animals now is growing crops which must be sold for cash. This has contributed that much to the surplus problem.

3. Tariffs not only have weakened the farmer's purchasing power by increasing the cost of goods he must use, but also have tended to reduce the purchasing power of foreign nations for the American farmers' exportable products.

4. Differential freight rates have increased the burden on Texas farmers by increasing beyond reasonable bounds the cost of marketing their products. He observed, for instance, that it costs \$1 more to ship 30 Rhode Island Red hens from Dallas to Chicago (904 miles), than it does the same hens to Chicago from New York (909 miles).

5. Once America was a debtor nation. In those days she found an open market for agricultural products. With these she could pay off her debts. Times have changed. Now America is a creditor nation. Europe now owes us. Gone is that outlet for many farm products.

6. War needs caused the expansion into crop land of 35,000,000 acres, once pasture and woodland. After the war, the demand for these acres dropped off. This generation is left with the surplus.

Holmgreen said these things served to show that the farmer's problem is not mere bug-a-boo and that agriculture is having a tough time trying to catch up with changing production technique and reverses in world trade. He said the AAA is trying to make that adjustment easier.

### SWINE NOTES.

By V. M. Couch.

The great progress that has been made in the improvement of live stock during the first half century is realized only by those who have given the matter observation and thought. And no doubt the improvement in hogs has been equal, if not greater, than that of any other farm animal. Many new breeds have been formed, named and improved until now it seems that some have almost reached perfection.

The Mule Foot Hog is acclaimed to be the oldest in existence, and like other breeds has been greatly improved, however, there are comparatively few people in the country who ever heard of a Mule Foot hog. The writer, from time to time, has bred and raised about all of the breeds commonly kept on the eastern farm, and none of them has proved more satisfactory than the Mule Foot, and which at one time was widely advertised and very popular in some sections of the east and middle west.

The Mule Foot hog makes rapid growth and will outweigh most other breeds when given the same chance. They weigh heavier than they look, because of their long, deep bodies. The breed is naturally healthy, vigorous, active and a fine looking hog. And one thing in particular which visitors notice when looking over a herd of these hogs, is their kind disposition, and especially in the brood sows when with young. They are not wild nor afraid, but naturally gentle and easily handled.

Some years ago more Berkshires were bred in this section of the country than any other breed, then other breeds came in, but for the past few years the Berkshires seem to be coming back into popularity. These hogs make rapid growth and reach a marketable size at an early age as compared with most other breeds. They are now being bred to quite an extent from coast to coast.

Shipments of poultry from Texas to out-of-State points during June totaled 51 cars, compared with 63 cars during the corresponding month last year, a decline of 19 per cent, the University of Texas Bureau of Business Research has reported. Egg shipments totaled 44 cars, compared with 43 cars during June last year. Five cars of eggs were shipped into Texas during June, all of which came from Kansas; last year in June, 11 cars were brought in, 9 from Kansas and 2 from Nebraska.

## ABOUT PEOPLE YOU KNOW.

From The Bandera New Era.

B. G. Wiemers celebrated his birthday Tuesday.

Mr. and Mrs. Henry Hauss of Hondo are visiting here.

Mr. and Mrs. Robert Wiemers returned to their home in San Antonio yesterday after spending several days in the Ben Wiemers home.

Visitors at the home of Mr. and Mrs. Roland Britsch Sunday were: Mrs. Annie Saathoff and son, Ernest, of Houston, Mr. and Mrs. Fritz Fous, Mr. and Mrs. Chas. Britsch and daughter, Gladys.

Mr. and Mrs. Tom Robinson were in Hondo on business Monday.

Mr. and Mrs. Roland Britsch and son, Elroy, attended the show here Tuesday night.

DEATH TAKES KERR RANCHER.  
GEORGE DUDERSTADT, AT 57.

George C. Duderstadt, 57, passed away last Thursday at his ranch home near Mountain Home after a several months' illness. Funeral services were held Friday at the Smith Funeral Home chapel with Dr. W. P. Dickey, pastor of the Uvalde Presbyterian Church, in charge. Interment was made in Glen Rest Cemetery.

George C. Duderstadt was a native of Gonzales County, the son of the late Fred and Henrietta Duderstadt, pioneers in that section of Texas. He married Miss Stella Elkins of Gonzales, and the young couple moved to Kerr County, coming here in 1905. They purchased a ranch near Mountain Home, about 26 miles northwest of Kerrville, and had made their home there since that time. His father preceded him in death at Center Point last spring.

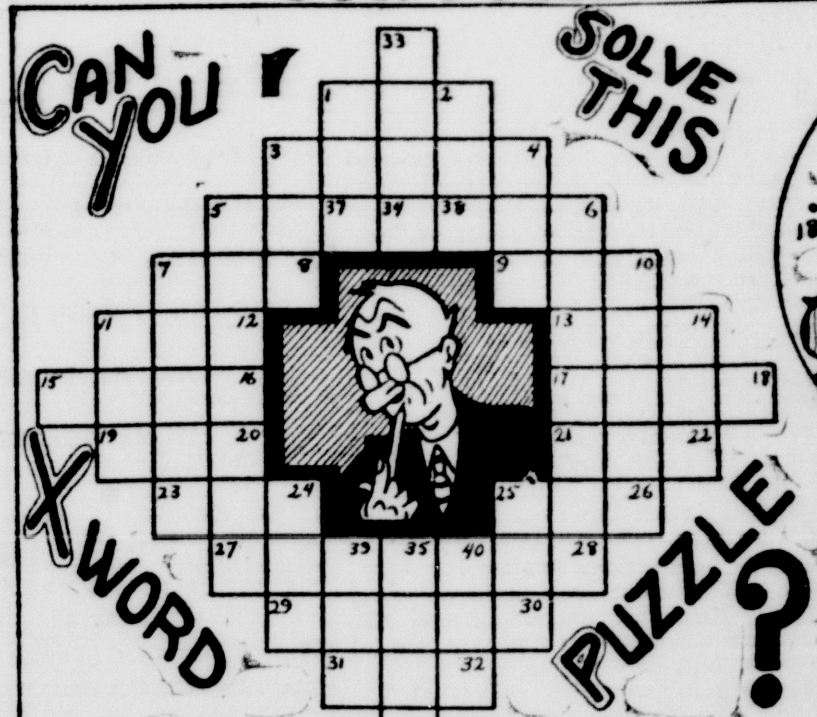

Pall-bearers were nephews and included Ernest Duderstadt, Penille Duderstadt, Oscar Duderstadt, Carl Elkins, Ed Love and Victor Lott. The survivors are his widow, Mrs. Stella Duderstadt; three daughters, Mrs. Alfred Ellerbracht of Noxville, Mrs. Clarence St. Clair of Fife, and Mrs. Daniel Arnold of Mountain Home; one son, Frederick Duderstadt, Mountain Home; and one brother, T. A. Duderstadt of Hondo.

### Uvalde Leader News.

Wm. Huegele of Hondo was a welcome visitor to Uvalde Saturday morning visiting with his many friends and acquaintances here.

Farm cash income in Texas during June, as computed by the Bureau of Business Research, excluding government subsidies, was \$28,862,000, compared with \$26,060,000 during June last year, according to Dr. F. A. Huechel, assistant director of the Bureau of Business Research, University of Texas. During the first six months of the year aggregate income for the State as a whole was \$128,228,000, compared with \$146,000,000 during the corresponding period last year, a decline of 12 per cent. "The computed figures are estimated to be about 91 per cent of the actual farm cash income, so that by adding 10 per cent to the foregoing, a close approximation to the actual farm cash income is obtained," he said.

## "PETE" "GOES TO TOWN"

By T. C. Richardson, Secretary Breeder-Feeder Association

While back Walter Peterson of Justin, Texas, was asked by the local vocational teacher to tell the local F. F. A. class something about his experience, "Pete" has regularly topped the Christmas beef market in Fort Worth for a good many years, which is "going to town" in a big way. He and his brother raise Short-horns and feed them out on their own oats, corn, sorghums, etc., and cottonseed meal for which they "swap" their own cottonseed.

These figures are quoted from memory and may not be exact, but are accurate enough for practical purposes. "Pete" read from his records without any oratorical frills, about as follows. For ten years he has fattened an average of seven and a half calves per year, they weighed an average of 900 pounds, and sold for an average of ten cents, or \$90 a head. Prices in that ten years ranged from as low as six to as high as fourteen cents.

Several valuable points are implied if not expressed. First, Walter and his brother kept good cattle, raised good calves, and fattened some every year regardless of price. Second, fat cattle could always be sold for some price, carrying a great deal of grass and feed that either could not have been sold at all or would have sold cheaply at harvest time. Third, the price variation was as wide as even cotton or wheat, but they did not go in and out on its up and downs. Result, an average for the ten years shows a good market for the feed they ate. Fourth, they are not "big" farmers or "big" feeders. A good many people think less than a carload of beef is too little to monkey with. The Peterson boys don't; a truck-load a year has brought them an average of about \$675 more net than ten bales of cotton would have averaged for the same period.

Assuming that they had the

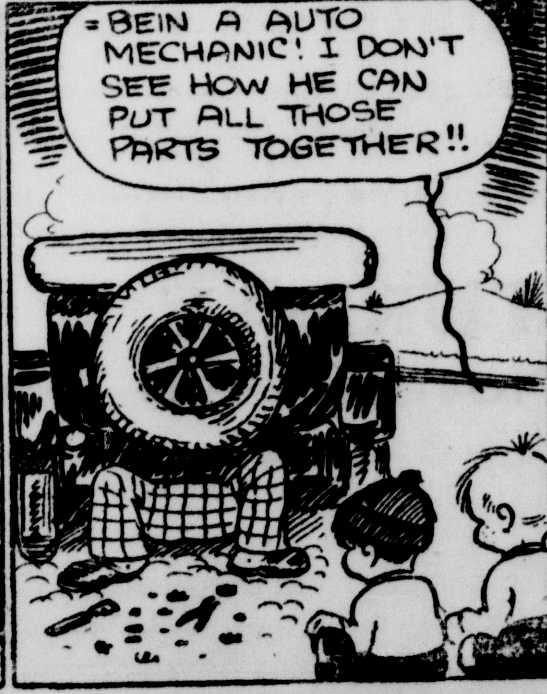

564,000 during the corresponding period last year, a decline of 12 per cent. "The computed figures are estimated to be about 91 per cent of the actual farm cash income, so that by adding 10 per cent to the foregoing, a close approximation to the actual farm cash income is obtained," he said.

## SOME OBSERVATIONS.

(Continued from Page One)

happens to you if you refuse to do anything. For instance, if you refuse to pay taxes, what happens to your property?

## Government Control.

A concrete case: "It is reported that President Knudsen, the head of General Motors, hoped that the senate investigators would ask him about his salary, which has been publicized at \$400,000; but they appeared to have avoided the subject.

"The fact is, that income taxes reduce a \$400,000 salary to about \$125,000. Such a man earns \$68.75 for the government and \$31.25 for himself.

"It must be remembered, also, that the government treats the incomes of criminals the same as it does those of honest folk; it demands a cut from each. It has no objections to tainted money.

"Aren't you proud of your country?"—Forum, Stockton.

## Absolute Slavery.

There is an example of the concentration of economic power in the government. You work 31.25 per cent of the time for yourself, and 68.75 per cent of the time for the government.

At that rate, you lack 31.25 per cent of being an absolute slave. Or, this country is just 31.25 from absolute despotism. As 51 per cent gives control, and as the government already has 68.75 per cent, you have not only lost 68.75 of your liberty, but the 31.25 per cent you have left may be taken from you when the government sees fit to take it.

## Bridge And River In Dust Bowl.

WASHINGTON—Senator Capper proposed a bill recently to spend \$20,000,000 building a bridge across the dust bowl. The bill carried a rider appropriating \$50,000,000 to dig a river under the bridge.—The Broom.

FINE! Speed up the process of concentrating economic power in the government, which is run by greedy politicians who use that power to keep themselves and their families and relatives in office, and keep you in slavery.

## ADVOCACY COMPLEX.

(Continued from Page 1)

it may not be called a Democracy any longer in truth, but an Advocacy. It was also made to rhyme with Reciprocity in respect to the Reciprocity Treaty which is said to have died with the Golden Rule, and been reduced to ashes in the Crematory of the New Deal.

Nothing remains in similarity of the words except the rhyme. We have recently learned, however, that there is forming in many points of the country a new party to be known as the Balkacy Party, having been well fed (UP) on the doctrines of the Advocacy Party. It is rumored that this new party will initiate into its ranks recruits from the Foxacy Party, in order to more successfully combat the Sockacy Party now acting as agents for the Advocacy Party.

Should, however, this party not materialize the morticians are ready to care for the remains of Democracy, which will be followed to its resting place by the U. S. citizens, loyal members of the Gawkacy Party who have been systematically drugged by the Sockacy Party with overdoses of Advocacy, until they have become mere "Yes-men" for Hypocrisy.

If the citizens of the United States have become so flaccid (a word which seems especially coined for that type and occasion) that they prefer dole, relief, Govt. Control—and even Communism—to real honest to God WORK, and standing up for their rights, as in the days of Patrick Henry, who preferred Death to the loss of Liberty, then fail to join the Balkacy Party.

However, if there are any which

fail to join as active members, they should out of humiliation, "forever hold their peace" and never form a Squawkacy Party, when they find themselves controlled soul, body and spirit by the subtle Sockacy Party.

If out of mistaken or ignorant policy they now sell their Birthright of Liberty for a mess of pottage (dole, relief employment and its ilk): when their posterity demand a settlement in the generations to come can they offer any excuse except flaccid selfishness?

As yet we have a free press, although it may be partially controlled, and many brave and loyal editors as yet send the message of Liberty to citizens all over the country, so ignorance is but a poor excuse. Ignorance of the law is not accepted in court, neither will ignorance of conditions as is accepted by your descendant who will brand this generations as COWARDS, if they allow their heritage to be taxed from them, lawed from them, in fact taken by Advocacy.

Are we sloths, or are we men and women? Are we lovers of Liberty and our Constitution builded at a heavy cost, or are we serfs? The fall of Rome came when men became too flaccid to work or fight; so eager for pleasure, ease and ill-gotten luxuries that they ignored the fundamentals of life, of Liberty.

Like Patrick Henry I say, and ARE there others with me—"I care not what others may say, but as for me, give me Liberty or give me death".

—KEENIE McKEEN.

## THE LOW DOWN from HICKORY GROVE

I been half-way afraid that I might have to quit reading just the front page, and turn clear back to the funnies, now that Congress has gone home.

But I have been unduly alarmed. And the new tricks and stuff, where they are angling for this 4 billion being dished up down there at headquarters—it is pretty good comedy.

And the ones trying for the money, it is Governors, and City Councils, etc.—or anybody who can sniff cash, from far away.

And old Samuel, he has only one place to get money, and it is from your own tax collector, so anything anybody gets from Wash., it is just your own money.

But when you get it, it is maybe a recreation center or something, which if you exercise in it, your lawn-mower at home gets rusty. Or maybe your City Mgr., he gets a bigger and longer car—and next year you pay even more than this year, for his gas.

For real fun and amusement, and comedy, it is hard to beat the front page.

Yours, with the low down.

school days. Here he was also instructed and confirmed by his beloved Pastor in the Lutheran faith. A few years after his confirmation he together with his parents moved to Bell county near Temple. When Mr. Penkert grew up to manhood he joined the United States Army in 1898. He was a faithful and loyal soldier of his country until the year 1914 when he received an honorable discharge. In 1898, he served as a soldier in the Spanish American War. In the year 1906, while he was still serving as a faithful soldier, he was married to Miss Alma Heine of Thorndale, Texas. Judge Franklin of that place performed the wedding ceremony. After receiving an honorable discharge from the army Mr. and Mrs. Penkert settled at Sandwall, Williamson County, Texas. Here at this place the Penkerts farmed for several years, after which they moved to Thrall where they continued in farming for three more years. From Thrall they moved to Port Arthur where Mr. Penkert had a job working in the Refinery for nine years. At Port Arthur, Mr. Penkert took a very active part in his beloved Lutheran church. He served as Councilman for many years. Since the last seven years the dear Penkert family made Castroville their home. God blessed this happy union with five sons. Two of these sons have preceded their father in death. Otto Penkert died Nov. 10, 1933 and Herbert died July 26, 1938, both are buried in the Lutheran cemetery at Castroville. His living sons are Erich and Ernest of Beaumont, Texas, and August of Castroville. While Mr. Penkert lived in Castroville he made many friends who highly appreciated and loved him. He was a member of the Castroville Chamber of Commerce and also a member of Zion's Lutheran Church of this place. About seven years ago, Mr. Penkert became ill with heart trouble. He carried his cross very patiently. Several months ago his condition grew serious and he entered the American Legion Hospital at Kerrville for treatment. At this hospital he died on Sunday morning, October 23, 1938. He leaves to mourn his beloved and faithful wife, Mrs. Alma Penkert of Castroville. His three living sons, Erich and Ernest, of Beaumont and August, at home with his mother. Two daughters-in-law and two grandchildren. One brother and two sisters; namely Mr. Max Penkert of Miles, Rannels Co., Miss Lena Penkert of San Angelo, Texas and Mrs. Hulda Royals of Waco, Texas, and many nephews and nieces, friends and neighbors. He reached the age of 69 years and 7 months.

Funeral services were held on Monday afternoon, beginning at 3:30 P. M. at the Tondre Funeral home, after a brief service his remains were taken to Zion's Lutheran Church where services were continued. His body was laid to rest in the Castroville Lutheran cemetery. Rev. A. H. Falkenberg officiating. May he rest in peace.

### COYOTES TROUCE OWLS 14-0

Continued from Page 1

gret of the Uvalde fans, the ball was dropped. This would have meant another touchdown for the Coyotes as he had a clear field ahead of him. It was at this point that Hondo's pass defense looked the worst, as the Hondo boys were bewildered, letting the Uvalde boys get in back of them, thus assuring them of a clear field in case they should catch one of the passes. The passer also had all of the time he wanted in which to throw his passes. On the fourth down Beckett kicked to the Hondo 13 yard line where the ball rolled out. Leinweber quick kicked to the Hondo 43 yard line. Three plays took the boys to Hondo's 33 yard line for a first down. Three more plays by the Coyotes brought no gain and on the fourth down Beckett kicked to Hondo's 8 yard line where it rolled out. Uvalde was then penalized to Hondo's 23 yard line. Two passes, the latter being complete, advanced the ball to Hondo's 28 yard line as the third quarter ended.

### Hondo Makes Last Futile Attempt.

Another pass by Grell was incomplete and on the fourth down Leinweber kicked to Uvalde's 28 yard line, the ball being returned to Uvalde's 42. On the Coyotes' first down a pass attempted was incomplete and on the second down Beckett passed, but the ball was intercepted by Rucker, who carried it to Uvalde's 45 yard line. On the first down Grell threw a lateral to Finger, Finger fumbled, ran back to get the ball and then passed, but it was incomplete. Leinweber then quick kicked to Uvalde's 10 yard line. The Coyotes promptly kicked back and were then penalized to their own 9 yard line. On the first down Leinweber went off right guard to Hondo's 4 yard line. The next two plays lost 1 yard for the Owls, putting the ball on Uvalde's 5 yard line, 4th down and a goal to go. On the last down Grell passed to Schuehle, but it was incomplete. The ball now in possession of the Coyotes on their own 20 yard line, their first two plays failing to click, Beckett kicked to the Hondo 35 yard line, Finger taking the ball back to the Coyote's 47 yard line. Hondo's series of downs brought them no yardage and on the fourth down Leinweber kicked to the Uvalde 3 yard line. On the first down Beckett kicked to Uvalde's 26 yard line. On the first down Grell passed to Schuehle, but it was incomplete. Three more long passes were to no avail and the ball went over to the Uvalde squad. Two more plays executed by the Coyotes brought no additional yardage and on the third down Beckett kicked to Uvalde's 44 yard line. On the first down a pass was incomplete, but on the second down Grell threw a lateral to Finger, who passed to Williams on Uvalde's 34 yard line for a first down. Leinweber went off right tackle to Uvalde's 30; Grell passed to Schuehle, but it was incomplete; Grell passed to Schuehle, who went to Uvalde's 25; Leinweber went off right guard to Uvalde's 4 yard line for another first down. On the first down a play thru the center of the line was attempted, but the Coyotes held. On the second down, the ball was fumbled by the Owls and Uvalde recovered on their own 5 yard line. A play thru center by the Coyotes was the last play of the game, ending with a score of 14-0, in favor of the Coyotes.

### UNDER THE FLOODLIGHTS.

With all that fumbling . . . and now he's got it, now he hasn't, football playing . . . the COYOTE-OWL fiasco last Friday night looked like a game of "button, button, who's got the button" . . . as it turned out, Uvalde had it . . . to the tune of 14-0 . . . TOMMY DANIE, of not too distant football fame, stood it as long as he could, deserting the press box for the Owls' bench . . . DR. T. B. KNOPP, excited and exasperated, persisted in calling our "worthy opponents" Del Rio . . . MRS. A. H. SCHWEERS so interested in the game all we could see were three port bows marching across the back of a pretty fuchsia felt hat . . . Referee

### GINGHAM GIRLS BRIDGE CLUB

Mrs. Robert Zuberbueller was hostess to the Gingham Girls Bridge Club at her home on Wednesday afternoon. Bouquets of marigolds adorned the rooms, and a Halloween motif was featured in the appointments.

At the close of the games Miss Stella Finger received high score prize, Mrs. Merlin Nester low, and Miss Sara Rothe drew high for consolation. A delicious salad course was served to the following players: Mesdames Arthur Nester, James Finger, and Merlin Nester and Misses Sara Rothe, Verine and Stella Finger, Gladys Rieber, Sarah Koch, Melvera Rothe, Lillian Fohn, Ursie Lee Rock, and Ethel Rothe.

### KOCH CARLE

Holy Cross Church, adorned with fern and white chrysanthemums, was the setting for the wedding of Miss Irene Carle, daughter of Mr. and

NEMO HERRERA ready to yell, "They got me, pal! They got me!" when the gun unexpectedly went off close to his ear . . . from where we sat, we had a good view of what resembled red-headed row, with Mrs. R. M. CHAPMAN's bright uncovered head and LUCILLE NEWTON's pretty coiffure, partly hidden by a very becoming rust chechia, to say nothing of LAWRENCE BRUCKS' and FRANK X. VANCE's carrot-tops, standing out like beacons in a sea of towheads and black crests . . . MRS. C. J. MONKHOUSE, who claims she is no football fan, glimpsed as excited as the next fellow . . . COACH HENSLEE's running in WEYNAND was sort of like old man Finnegan's whiskers—in again, off again . . . a foursome having more fun than anybody, Mr. and Mrs. FABIAN GARRISON and Mr. and Mrs. ASH GILLIAM . . . also in the swim was MISS CRAWFORD, seen with JOHNNY CROUCH, Texas tank star . . . startling is the word for the pink bunny sweater worn by EDIE CONNOR . . . interesting and interested twosomes were ANNA LEAH BRUCKS and PROF. Mrs. Richard Carle, and Mitchell Otis Koch, son of Mrs. Alvina Koch and the late Mr. Pete Koch, which was solemnized Tuesday morning at 8:30 o'clock. Rev. Eugene Zuber read the ceremony and was the celebrant of the nuptial High Mass.

The bride entered with her father. She wore an attractive suit of teal blue wool with a collar of grey fur. Her small felt hat was of the same color and her accessories were of black. She carried a bouquet of white chrysanthemums.

Miss Lorine Koch, maid of honor, wore wine velvet with black accessories and Miss Lorine Turner, the bridesmaid, wore teal blue with wine accessories. They carried arm bouquets of pink gladioli. Little Mary Louise Bendele and Mary Louise Koch were lovely flower girls wearing wine colored taffeta dresses with poke bonnets of the same material, and carrying nosegays of asters.

Wesley Huesser was best man, and the groomsmen were Joseph Koch, Milton Carle, brother of the bride, was ring-bearer.

After the ceremony a reception was held at the home of the bride's parents. The larger white wedding cake, topped by a miniature bride and bridegroom, centered the table.

Mr. and Mrs. Koch left for a trip to the Carlsbad Caverns. On their return they will make their home in San Antonio, where Mr. Koch has been employed at the Union Stock Yards for several years.

### NESTER-ROHRBACH

The marriage of Miss Alice Rohrbach, daughter of Mr. and Mrs. Henry Rohrbach, to Merlin Nester, son of Mr. and Mrs. Albert Nester, was solemnized Saturday morning, October 22, 1938, at 9 o'clock, in Holy Cross Church, with Rev. E. Zuber officiating. White tuberoses adorned the altars, and ferns were placed in the sanctuary.

The bride, given in marriage by her father, wore a gray wool crepe frock with a short jacket of gray fur fabric. Her accessories were wine-colored and she carried a bouquet of white gladioli. The maid of honor, Miss Caroline Nester, was in wine-colored crepe with matching accessories, while the bridesmaid, Miss Sara Koch, was in teal blue. Both carried pink gladioli.

Elmer Rohrbach served as best man and Homer Nester was groomsmen.

Immediately after the ceremony a wedding breakfast was served in the home of the bride's parents. After a brief wedding trip the young couple will be at home at Hondo, where Mr. Nester is an employee of the Public Service Company.

### ROBERT DE MONTEL DEAD.

After a few hours of acute suffering, the consequence of several years of illness with a failing heart, death came to release Robert de Montel from his pain at 12:45 Sunday morning, October 23, 1938. Funeral services were begun at the home at 10 o'clock Monday morning, after which a funeral sermon was preached at Zion's Lutheran Church by his pastor, Rev. A. H. Falkenberg, and burial was made in the Castroville Lutheran cemetery.

The pallbearers were: Judge Arthur Pue, Charlie Wurzbach, Rudy Hoefling, Dr. O. B. Taylor, Frank de Montel and Richard de Montel.

From Rev. Falkenberg's discourse we are privileged to print the following tribute to his memory:

Our deceased friend, Mr. Robert de Montel, the fourth son of Mr. Chas. de Montel Sr. and his wife, Mrs. Justine de Montel, was born on a ranch near Castroville on July 27, 1864. His beloved father, Mr. Chas. de Montel, was one of the founders and first settlers of Castroville in the year 1844. The deceased was baptized in the name of the Triune God and later, having received a thorough instruction in the Lutheran faith, he was confirmed on the 14th of April, 1878, in the Castroville Lutheran Church. Mr. Robert de Montel spent his entire life at Castroville. As a loyal and desirable citizen, he was highly appreciated by his neighbors, friends and by all who knew him. He always stood for honesty and righteousness in all his undertakings. He was ever ready to serve his community, friends and neighbors. I always enjoyed speaking to Mr. de Montel.

He related many interesting incidents that he had experienced during his life, especially during the earlier years of his life. For many, many years, Mr. de Montel rendered faithful and efficient service as trustee of the Castroville Public School. He was glad to serve his community and was always ready to give a helping hand wherever needed. During the many years of his life he saw Castroville and Medina County prosper. He took great interest in the affairs of his county, state and nation. In fact, he was a well read man. The Pastor always enjoyed visiting with him and especially to read scriptures, and praying for his soul's welfare. God had presented him with a strong, healthy and robust body during his young years.

On November 12, 1890, he was married to Miss Elizabeth App. The Rev. Wm. Hummel performed the ceremony. For nearly 48 years this couple lived together very happy and contented. He was a dear and faithful husband to his beloved wife and he often proved to her that he highly respected and esteemed her. Mr. de Montel was a kind and devoted father, and grandfather. Mr. and Mrs. de Montel were blessed with ten children. Their names are: Lorine, wife of Mr. Geo. Hodge of Dallas, Texas; Lucille de Montel at home with her parents; Pauline, wife of Mr. Sam Goodbold, Dallas; Chas. de Montel, Castroville, Texas; Mollie de Montel, San Antonio; Ralph de Montel, Castroville; Oscar de Montel, Castroville; Annie, wife of Mr. Ivan Douglass of Dallas; Hazel, wife of Mr. Thomas Hans of San Antonio; and Octavia de Montel of San Antonio.

Mr. de Montel had been ailing for over fifteen years, but during the past year his sickness became serious. His kind family and also Dr. Smith of Hondo did everything possible for him, trying to relieve his suffering. He carried his cross very cheerfully. Dr. de Montel died Sunday morning, Oct. 23, 1938, at 12:45 A. M. He reached the age of 74 years, 2 months, 26 days. He leaves to mourn his precious wife, Mrs. Elizabeth de Montel; all of his ten children; 5 grandchildren; one daughter-in-law, wife of Mr. Oscar de Montel, four sons-in-law; one brother and one sister, namely, Judge Ed de Montel and Mrs. H. E. Haass, both of Hondo. Several brothers and sisters preceded him in death. He also leaves many nephews, nieces, friends and neighbors. May he rest in peace.

### OTTO BERNHARD PENKERT DEAD.

We are indebted to his Pastor, Rev. A. H. Falkenberg, for the following tribute.

Our deceased friend, Mr. Otto Bernhard Penkert, was born on March 24, 1869 in Laban, Germany. His religious and pious parents had him baptized in the Lutheran faith in infancy. His parents immigrated to America when their loving son was ten years of age. They settled in Tedor, Lee Co., Texas. Here Mr. Penkert spent his happy childhood and
